THE PESSIMIST

Nothing to do but work,
Nothing to eat but food,
Nothing to wear but clothes,
To keep us from going nude.

Nothing to breathe but air,
Quick as a flash 'tis gone,
Nowhere to fall but off,
Nowhere to stand but on.

Nothing to see but sights,
Nothing to quench but thirst,
Nothing to have but what we've got,
Thus, through life we're cursed.

THE OPTIMIST

I have just discovered my age group! I am a Seenager (Senior Teenager).

I have everything that I wanted as a teenager, only 50-60 years later.

I don't have to go to school or work.

I get an allowance every fortnight.

I have my own pad.

I don't have a curfew.

I have a driver's licence and my own car.

I have ID that gets me into bars and the wine store. I like the wine best.

The people I hang out with are not scared of getting pregnant. They aren't scared of anything. They have been blessed to live this long, so why be scared?

And I don't have acne.

Life is good!

If you are a Seenager you will feel much more intelligent after reading this:

Brains of older people are slow because they know so much.

People do not decline mentally with age; it just takes them longer to recall facts because they have more information in their brains.

Scientists believe this also makes you hard of hearing as it puts pressure on your inner ear.

Also, older people often go to another room to get something and when they get there they stand there wondering what they came for. It is NOT a memory problem, it's nature's way of making older people do more exercise.

SO THERE!!

I have more friends I should send this to, but right now I can't remember their names.

So please forward this to your friends; they may be my friends, too.
