NEXT COMMUNITY FORUM

Date and time: **Wednesday 15 March - doors open at 9.30 am.**

Venue: **Bridge Club Rooms, Neil Hunt Park, Tarawera Rd., Lynmore.**

Topic: **The Past, Present and Future of the New Zealand Red Cross**

Speaker: **Fiona George**

Fiona is an ex-bank manager who works for the largest humanitarian organisation in the world. She lived in Christchurch for 20 years including the time of the Canterbury earthquakes. Seeing at first hand the amazing work of humanitarian organisations, she was inspired to leave banking and apply her skills in the charity sector. After 2 years in the United Kingdom, she returned to live in the Waikato and now visits local groups, describing the variety of work undertaken by the Red Cross in New Zealand and around the world.

Fiona will give us news about Red Cross work needed after Cyclone Gabrielle.

Light refreshments will be provided at the beginning of the meeting.

All U3A members and friends are welcome to attend.
